

BRAZORIA COUNTY ADDENDUM NUMBER 1

ITB#16-67 ROAD SAFETY SIGNS AND POSTS

PLEASE INCLUDE THIS SIGNED ADDENDUM WITH YOUR SEALED ITB PACKAGE.

This Addendum modifies the ITB#16-67 package as follows:

1. Definitions: All definitions set forth in the Contract shall have the same meaning unless stated otherwise in this Addendum.
2. The following questions have been submitted for clarification:
 - 2.1 Vendor Question: "We have a question for the Sign Caps and Cross Blades section on this bid. What size are the caps and crosses for 5" or 12"? Also, what is the difference between the 2 line items asking for the Z238?"

Brazoria County Answer: The preference will be the 12"; however, you can submit pricing for both sizes. Due to the offer spreadsheet being locked, if you plan on submitting pricing for both sizes, please include the information on a separate sheet.
 - 2.2 Vendor Question: "Rumble Strips – Could you please clarify if the size you indicated is correct? I cannot find any that meet the description you state for that section (4" wide, 150 mil thick, 90' roll)."

Brazoria County Answer: Due to the cost of this item and the non-regularity of its use, this item has been removed from the bid. A revised spreadsheet has been posted to the website, labeled as 16-67 Addendum No.1 Revised Offer Spreadsheet and made part of the bid. Vendors are to submit the revised offer spreadsheet with their submittal.
3. All other terms and conditions of the ITB are to remain unchanged.

Please refer any questions regarding this ITB to the Brazoria County Purchasing Department at (979) 864-1825 or natashas@brazoria-county.com.
